Moving Forward

IDENTIFYING FUTURE INITIATIVES

Identifying Future Initiatives

- Identifying Client Needs
- Creating New Initiatives
- Measuring Success

Identifying Client Needs

- What is not being met in the community?

- Where are there gaps between programming/funding in place and realities of the newcomer experience?

- Who is already working to address this need?

Creating New Initiatives

- Turning an identified need into funding
- What research needs to be done?
- Does a partnership make sense?
- Leveraging existing partnership
- Staffing/program length

Measuring Success

- What does success look like?
  - Short term vs. long term success
- Do specific tools need to created to properly measure success?
